About Us

Who Are We

Founded by Mohammed Hassan Hashimani in 1967, was the first furniture company in Oman amongst a very few number of local institutions in the country.

- The business started in selling tents, blanket, bed sheets and other similar home necessities. Now Hashimani enjoys a strong name in the local market and furniture industry stemming from our experience in understanding market factors, trends and demands.
- We aim to present the market with an innovative surprising our local customers with unique furnishing ideas & solutions.
